

CHS ALUMNI ASSOCIATION

MEMBERSHIP MEETING

OCTOBER 20, 2018

The Coleman High School Alumni Association meeting was held October 20, 2018, at the Bill Franklin Center at the rodeo grounds in Coleman, Texas. Bill Gardner, President, called the meeting to order at 10:30 a.m. There were in excess of 200 in attendance. Bill welcomed those in attendance and reminded everyone that the primary function of the Association is to award scholarships to Coleman High School students who want to further their endeavors in academics. Bill then recognized the 2018 scholarship recipients Shelbi Stephenson and David Wakefield.

Minutes of the April 21, 2018, meeting were then read by Georgene Saverance, Secretary. There being no additions or corrections, the minutes were approved as read.

Bob Mann, Treasurer, gave a brief report. Bob reported that in spite of the major fundraiser, the golf tournament, being canceled due to rain, the Association didn't lose too much money because the sponsors had already gotten their credit on the website. The local businesses and individual sponsors contributed about \$2,500.00. Some of the players who had paid green fees also donated that money to the scholarship fund. Those who requested the return of green fees are being mailed reimbursement checks. Bob also reported the Association is in good shape, and the contributions alone through registrations brought in approximately \$2,000.00 for the scholarship fund.

Bill introduced one item of new business. Three new Trustees needed to be elected for the coming three years. The Council met on October 20, 2018, and nominated Lana Rosenthal, Bobby Hart and Joe Johnson. The Trustees were to be elected for varying three, two or one year terms. Hearing no comments or objections, the nominees were elected.

There being no further business, the meeting was adjourned.
